

Things You Need to Know

**Unmounted Stamps** are carefully trimmed rubber dies (without cushion or wood mounts) at half the price of mounted stamps. It's just the rubber die, so you will have to source your own mounts. Take 50% off prices listed in the Price Code box at the bottom of this form. Refresh your stamp collection without defoliating your wallet!

**Black Stamp Pads:** We are always on the prowl for quality stamp pads that can do justice to the fine detail of our stamps and these fab pads deliver with acid-free, fade-resistant archival qualities. Quick drying on uncoated papers and ideal for water coloring, the ink conditions the stamps, no odor, no solvents. Water clean up. This is it. Our favorite black pad. \$9.50 each.

**Color Stamp Pads:** Same quality as the black raised felt pads in these harmonious colors: dark blue, dark red, cherry red, dark olive green, light golden green, turquoise, sepia and purple. Our all-time favorite color pad. \$9.50 each.

**Mystery Stamp Grab Bags** are first quality trimmed and exceedingly miscellaneous non-catalog stamps. Suggestions for subject matter are welcome, but remember, it's a Mystery Bag so be prepared for a surprise! Unmounted only. 10 stamps for \$10.
